# WOULD THE RENEWAL OF THE SINKING FUND INCREASE MY TAXES ABOVE 2024 LEVELS?

**No.** We currently levy 2.9649 mills for our sinking fund that was passed in 2016. The proposal would renew the sinking fund at that current level. This would be a ten-year renewal. Your taxes would not be increased above 2024 levels if this proposal passes.

# WHAT IS A SINKING FUND?

A sinking fund is a financial tool for our school district. It funds improvements to infrastructure that extend the life of our district's buildings and grounds. It's a way to ensure our schools remain safe and functional.

# **L** HOW DOES THIS FIT WITH **THE BOARD'S PLAN?**

The Leslie Public School Board is committed to maintaining educational facilities without the burden of constructing new buildings. A renewal of our sinking fund would enable us to continue this commitment without increasing taxes above 2024 levels. It would be an investment in our children's future and the community's well-being.

# 2024 SINKING FUND RENEWAL
