Leslie Public Schools

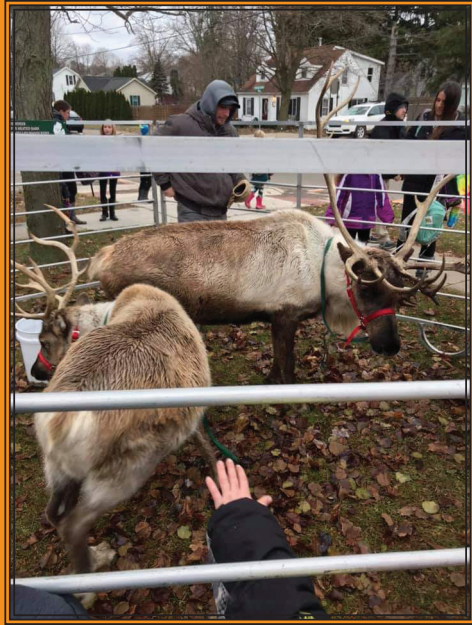

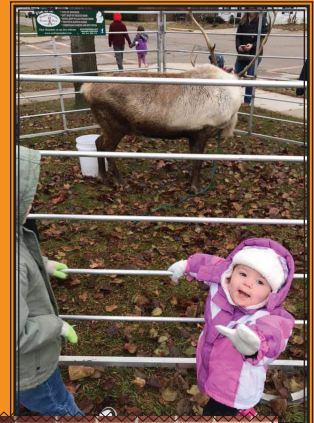

## School Bond Refinance

On October 7, 2019 the Leslie Board of Education voted to refinance the 2008 school bond. This process is very similar to homeowners refinancing a mortgage. The purpose of refinancing a bond is to save money over the length of the bond. The difference between a bond and a mortgage is that when a bond is refinanced, the savings pass back to the taxpayers.

Prior to refinancing the bond, the interest rate was 4%. After refinancing, the interest rate was lowered to 1.92%. Due to the lower interest rate, the savings is \$115,000. The savings will be spread out to all taxpayers in the Leslie School District.

Refinancing the bond does not lengthen the term of the bond and will still be paid in full in 2025.

Principal

Woodworth  
Elementary  
School

The 2019-2020 school year has taken off in a very positive way! We have fully implemented our Tier 1 Positive Behavior Interventions and Supports (PBIS) in an effort to institute positive recognition for those students who meet school-wide expectations. Teachers are working to meet individual students' needs with regard to behavioral supports through the use of our Behavior Matrix. This matrix includes receiving STAR tickets with plans for weekly recognition and photo ops with the principal beginning the second trimester. We held our first STAR Breakfast to recognize and celebrate students nominated for their excellent behavior. During the first trimester and as of November 13, 2019, Woodworth students were awarded 1,692 STAR tickets in acknowledgement of meeting our school-wide expectations. Some students excitedly took STAR tickets home to celebrate with family, so we certainly want to acknowledge them as well.

As part of improving the culture and climate at Woodworth Elementary, we have also implemented Restorative Practices. These practices help students with discussions of difficult topics or issues, with learning how to process their own feelings, and with understanding others' feelings. We have also seen success in using these practices as part of resolving relational issues among students. We continue to ask students "What are you doing?" followed by "What should you be doing?" and then "What will happen if you don't change your behavior?" and finally we ask students "How can you fix this?" so that they may avoid consequences.

We want to thank families for being such amazing supporters of our learning at Woodworth, specifically those who have sponsored classrooms with Scholastic books! Our Woodworth students and their reading skills benefit greatly when they have a variety of books to read at home. We have also benefited from the support of families who attended our Halloween parties and parade. Despite the rainy weather, we had a large turn out!

### LMS Family Science Night

- Our LMS Family Science Night took place on Thursday, November 7.
- Over 60 students participated. Science rooms were set up with experiments and games along with prize drawings for anyone who attended.

### LMS Leadership Conference

- On October 23, 10 LMS students were chosen to participate in a leadership conference at Jackson NW High School. Students met with other students from area schools and shared ideas on how to make their school a better place. They also had the opportunity to listen to an engaging keynote speaker.
- The LMS leadership team continues to meet monthly to work on new ideas to promote school spirit and a positive school culture.

### LMS Fundraiser

- LMS held its annual fundraiser this October. Thanks to the support of families and the community, we raised around \$7,000 to support student activities and events at LMS.
- Fundraiser prize winners were treated to playing in a game truck and KONA ice treats!

### LMS Canned Food Drive

- LMS Academic Center classes collected canned goods and non-perishable items for our annual Thanksgiving food drive.
- Students donated over 1,100 items to the Leslie Community Outreach Center!
- The winning classroom at each grade level was rewarded with treats for their efforts!

### Hawk Recognition and Reward Days

- Students were recognized for their academic performance on the M-Step during the Hawk Recognition Assembly on Monday, November 25.
- Students received rewards for the following categories:
  - Students who raised their M-Step level one level or more
  - Top two performing students per grade level on the M-Step as determined by best scale score
  - Students who maintained a four on the tests again this year
- Students received certificates, king size candy bars, and gift cards for their efforts!

**Scott Powers**

Principal

Leslie High School

I want to take this opportunity to praise the generosity of members in the LPS community. This fall, two different families came to see me about donating money toward any student who might be short in their lunch account. Since we never let any student go hungry at school, it was great to have these Leslie families step up and help out. I can't specifically give them credit by name because they were very clear on wanting to stay anonymous, but I did want to give them a big public thank you on behalf of myself and the students they are helping! I am so proud to be a part of this great community!

Leslie High School senior Delanie Harkness received a full-ride scholarship to Michigan State University for gymnastics! Delanie has been participating in gymnastics for 14 years, having started when she was three. As a level 10 gymnast—level 10 is the highest Junior Olympic level before elite—she was a 3-time Regional All-Around Champion, 5-time National Championship qualifier, and a 2013 National All-Around Champion! Delanie then moved into the elite level where she became a 3-time International All-Star Team member. Delanie says her favorite memory is “being offered a scholarship to MSU. I always wanted to go there.” We wish Delanie the best of luck as she continues on with her education and gymnastics at MSU!

### Leslie High School Homecoming Court and King & Queen

# LPS PINK HAWK PROJECT

December 2019

This fall, the Leslie community once again came together to buy shirts and sponsor jerseys so that the Pink Hawk Project could help local families. The LHS varsity football, cross country, and mens soccer teams all honored those who are fighting or have fought a battle with cancer.

Oftentimes when we hear of someone facing cancer, we may think to ourselves, "What can I do to help? This disease is such a big battle." But time and again, our community and students have demonstrated that we do not shrink back from the size of the battle. We do not think that since we can't do everything, we won't do anything. No. Instead we stand up and decide to help families by buying shirts and sponsoring or donating to the project. Through these actions we are doing something that is making a difference in the lives of members in our own community. And the Leslie Pink Hawk Project cannot thank you enough for your support this year and in previous years!

The Pink Hawk Project has provided a little over \$70,000 in funds to help local families. Each gift provides not only financial assistance but also encouragement which tells these families they are not alone. Every gift brings hope, courage, and gratitude.

This winter and spring we will have varsity basketball Pink Hawk games as well as a girls soccer game. This will once again give the community a chance to come together and do something to help our families. Our student athletes are excited to participate and honor a fighter. More details will be available as the event gets closer. For more information about how to support, receive a gift, or to nominate someone for a gift, check out our Facebook page at Leslie Pink Hawk Project.

### 2019 Fall Season Sports Recap

Girls cross country finished second in the GLAC. Making first team all-conference was Haley Ellis. Both Haley Ellis and Lily Robinson qualified for the state meet. Haley finished 39th and Lily finished 81st.

Girls volleyball began the season with a new coach and system. They were very competitive and look forward to the 2020 season. Alanna Cox made first team all-GLAC.

Mens tennis had a combined team with Lansing Christian again this year. Kyle Medcoff had 10 wins on the season at #4 singles. The team of Nate Foltz and Ayden Rutan had 13 wins at #2 doubles.

Mens soccer won the 2019 GLAC Conference Championship. Making all-conference first team were Garret Mays, Jarrett Brown, Gabe Weber, and Jordan Beers.

Mens cross country won the 2019 GLAC Conference Championship. Making all-conference first team were Gavin Weber and Cameron Pierce. (See photo on page 4)

Mens football finished the season 3-6. Making all-conference first team were James Tow (linebacker), Nolan Frohriep (all-purpose back), Wyatt Wiljanen (offensive line), and Trevor Huttenlocker (punter).
