## Zero-Mill Net Increase Bond Proposition

On August 5, 2020, a Zero-Mill net increase bond proposition for Leslie Public Schools will appear on the election ballot.

If passed, the proposed bond will allow the district to focus on three key initiatives:

- **SAFETY AND SECURITY**

Updates to front offices at Woodworth Elementary, Middle, and High Schools, as well as improved space utilization to prevent overcrowding at athletic events.

- **EDUCATIONAL ENHANCEMENTS FOR STUDENT ENRICHMENT**

Classrooms built in the 1950s will be updated along with mixed-use space enhancements (i.e., mechanical updates for better temperature control) to improve the student experience.

- **COMMUNITY USE**

Constructing an auxiliary gymnasium to provide additional gym space, eliminating late-night practices for students. It will also offer opportunities for community use during off-school hours.

The Leslie Public Schools Board of Education supports the bond proposition and believes it is in the best interest of all students, taxpayers, and citizens of Leslie as it helps current and future generations of students.

The Board of Education also encourages voters to stay home, stay safe, and vote by absentee ballot.

With the passage of Prop 3 in 2018, all Michigan voters have access to an absentee ballot, regardless of the reason. In light of COVID-19, all Leslie citizens are encouraged to request an absentee ballot and vote by mail by August 4.

A community-led bond committee will share additional information in the coming weeks as we approach the August election.

For more information, please contact Superintendent Jeff Manthei at (517) 589-8200 or [jeff.manthei@lesliek12.net](mailto:jeff.manthei@lesliek12.net).

## Ingham Virtual High School Update

*Brent Hoffman, IVHS Mentor/Coordinator*

During the COVID-19 pandemic, Ingham Virtual High School, part of the Leslie Public Schools District, continues to provide students with their online education and credits toward graduation. Currently, three seniors are working to earn their spring diploma by the end of May and one senior will complete work by the end of August. We are very proud of these students and are excited for the plans they have for after graduation!

Woodworth  
Elementary  
School

Woodworth Elementary School rang in the 2020 New Year with hope and excitement for the months to come and with several activities planned for families and students. In February, we honored another group of

STAR students who were recognized for always meeting our school expectations. First and third grades performed their musicals at the high school where scores of family members attended with pride and joy. Our annual Daddy/Daughter Dance was well attended and reminiscent of a prom. In March, students enjoyed a visit with Mary Morgan, a local author who writes stories set in our great state of Michigan. Students and families participated that same evening in a Family Literacy Night, during which teachers shared reading activities. The next morning, students boarded buses for the high school for a Drop Everything and Read event, where high school students engaged in reading with small groups of Woodworth students around their school.

On March 13, 2020, we, unfortunately, were faced with an unprecedented health event, forcing schools to close and forcing us to alter our plans for the rest of the year. Kindergarten Round Up has been postponed until we are permitted to safely gather for an Orientation and Transition Day, possibly the beginning of August. More details will be published in the weeks to come. We are, however, actively taking preschool through fourth grade

registrations for the 2020-2021 school year. For an online application, visit our school website or follow the links included here:

We are working with Leslie Middle School for fourth graders to participate in an orientation before next year. We recognize the nervousness associated with change, especially to a new school! We will communicate details when we are able to safely gather, possibly the beginning of August.

Yearbooks for this year will be made available in the fall when we are able to resume school. We are actively working to complete the work needed for publication, as Lifetouch must work remotely, as well.

## LMS CONTINUOUS LEARNING PLAN

LMS rolled out its continuous learning plan as required by the Governor's Executive Order. As most of you know, learning as we know it has changed drastically for the remainder of the school year due to the COVID-19 virus. LMS has divided staff up into grade level teams, and each team member has been assigned students according to their Academic Center classes. Teams will

be holding weekly office hours and online meetings and doing wellness checks on our students and families.

Online learning began and packets were distributed to all students on April 20 to ensure students can continue their learning and be prepared for the next grade level in the fall. Our LMS family has been working hard to ensure all of our students are contacted and have the necessary educational materials to be successful. Teachers are also partnering with parents and families to ensure work is completed and questions are answered. We are committed to making the remainder of the 2019-20 school year as successful as possible. We hope that in the fall, we will be able to resume normal life and students will again fill the halls of LMS! Stay safe and take care!

## Leslie High School COVID-19 Update

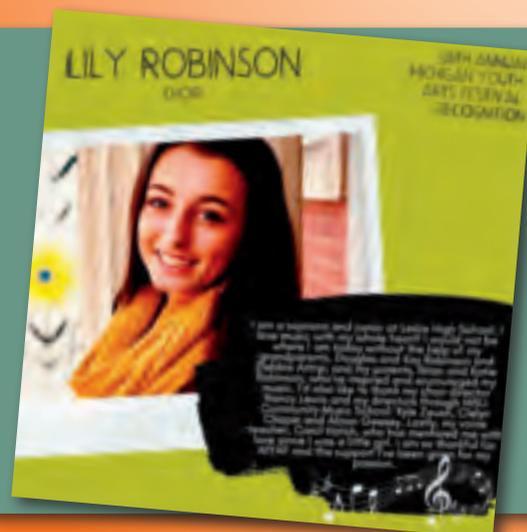

I hope everyone is staying safe and finding some silver linings during these crazy times. My family rediscovered board games, and we play a lot of driveway basketball. As a kid who got cut from the seventh-grade basketball team, I feel like this is my moment to shine!

On a more serious note, a few weeks ago, we found out that school was closing. Now, a short time later, we have students learning at home and online. This was such a quick turnaround that I want to compliment teachers and support staff on all they did to make this happen! They have had a positive attitude and have done whatever is necessary to help our students, including being available for weekly office hours and doing weekly check-ins on students and families. It truly is amazing to be a part of this staff!

I also want to thank our parents and students for being so understanding, flexible, and patient. You really have been incredible.

We will get through this together, and I look forward to more normal times. Thank you!

### Play cancelled due to COVID-19

Junior Lily Robinson made it to MYAF (Michigan Youth Arts Festival), the highest competitive choir achievement at the high school level. Unfortunately, it was cancelled due to COVID-19, but we still want to acknowledge and praise her for all the work she did to make it that far. Mrs. Lewis, our school's choir director, was a great support in helping Lily get to this level! Great job, Lily!

## Seniors in Chorale

**W**hen March 13 hit and we were told that there would be no more school, Leslie food service's first thought was to the needs of the community, especially our students. So, we jumped in with both feet to make sure that ALL students continued to receive food. With the combined efforts of the Leslie food service staff, teachers, and support staff, we have been able to provide more than 15,000 breakfasts and lunches since we started our efforts on March 17. We want to thank all who have helped in our endeavor to ensure that we are able to continue to provide healthy meals to students in the community!

Gabe Weber- 3rd place  
Grant Weber- 2nd place  
Ethan Fehrenbach- 4th place  
Nick Carey- 2nd place  
Ben Smieska- 2nd place

It was an awesome year for Leslie Wrestling. The last time Leslie had six wrestlers qualify for the state finals was in the late 1990s/early 2000's from what I've been told. A recap for our state placers: Grant Weber gave the eventual champion his closest match of the tournament but fell short of the win. However, following that match, Grant dominated his way to a third place finish. Nick Carey had an amazing tournament and turned many heads, beating a returning state placer in the blood round to earn All State status and then avenged a loss to put him in the consolation finals where he finished fourth. Finally, Ben Smieska, now a two-time qualifier, for the Blackhawks turned in an outstanding performance to earn All State status. Ben won in the opening round before falling in the quarter finals. He then bounced back, winning in the blood round over a tough adversary from Carson City Crystal. He then won two more matches to finish in third place!

5 of the 6 state qualifiers will return to the mat next season for the Blackhawks.

**Michigan Grappler All-Junior Team for Division 4**

145 - Grant Weber  
189 - Nick Carey

**Lansing State Journal All-Area Team**

145 - Grant Weber  
189 - Nick Carey  
215 - Ben Smieska

**Womens State Finals at Adrian College**

Kailyn Friese competed in the Women's State Finals, finishing one round away from a top 8 finish. She posted a 3-2 record, fighting very hard in every match. We are very proud of her and what's to come for her!

**Academic All-State**

Ethan Fehrenbach was our individual academic All-State athlete this year. Our entire team averaged a 3.49 G.P.A., good enough for a second-place finish in division 4. The wrestling program has been in the top ten the last three years, and this is the best finish to date for the Leslie Blackhawks!

**Class Colors:** Teal and Silver  
**Class Charity:** Suicide Prevention
